

Angus Heifers

Class 1

Rank these heifers as replacements for a purebred operation that markets calving ease sires to commercial producers, without sacrificing growth characteristics.

Heifer ID	BEPD	WEPD	YEPD	MEPD
1	3.5	27	52	11
2	1.4	30	51	16
3	1.9	31	60	14
4	2.9	43	70	18

Angus Heifers

Class 2

Rank these heifers as replacements for a purebred operation that markets commercial bulls and generates it's own replacements. The lower end of the calf crop is fed out in a custom feedyard and carcass data is collected to aid in marketing of stock.

Heifer ID	BEPD	WEPD	YEPD	MEPD
1	3.4	22	32	16
2	6.0	31	49	10
3	3.2	34	53	25
4	3.8	35	58	11
