

CALF TRAINING 101

By Dan Dvorak

**A TOOL EVERY SHOWMAN
NEEDS TO HAVE THEIR CALF
BEHAVING LIKE A CHAMPION
IN ABOUT AN HOUR!**

- Only TLC that make you and your calf bond.
- No Drugs
- No Tractors
- No Donkeys
- No Inhumane Treatment

Do you want to walk out of the show ring time after time with the champion showmanship trophy?

Then this is the technique that YOU NEED TO BE USING!

Dan was asked to go on-site to train this calf. When he began the calf was scared of humans and his owner was disappointed that his calf would never make it to the show ring.

Using the techniques that he developed, Dan was able to gain the calf's confidence and not long after, he was able to be shown with success!

Have you ever wished that someone would take the time to develop a technique to train your calf to tie and lead AND be a technique that anyone could use? Dan Dvorak has done this for you!

Dan has been involved in the cattle industry all of his life and has passed his love of show calves on to his daughters. Not wanting them to be afraid of their animals or risk getting them

2 Basic Tools you need to make this work for you...

hurt, Dan has spent countless hours working with calves to develop this technique. It is so simple that you will not believe your eyes.

By using this technique anyone has the ability to make it work for them. WE believe that it is going to take the show calf industry by surprise! Once you view this video and study Dan's technique we guarantee that you will be hooked on using it and will "turn your donkey out to pasture!"
